ENEL RUSSIA APPOINTS DMITRY GELD AS SREDNEURALSKAYA GRES DIRECTOR

Moscow, December 01, 2017 - Dmitry Geld has been appointed Director of Enel Russia's Sredneuralskaya GRES. In this position, he succeeds Dmitry Kazarin, who was appointed Director of Enel Russia's Nevinnomysskaya GRES.

Dmitry Geld has been working in the energy sector for 22 years.

Mr. Geld began his career in 1995 as an electrician for electrical maintenance at the thermal power plant of Samarenergo OJSC, supplying to Volzhsky automobile factory, where he eventually became a shift supervisor of the electrical shop. Prior to joining Enel Russia, Dmitry Geld held the position of the power plant shift supervisor at the thermal power plant of Volzhsky automobile factory (Samara branch of Volzhskaya TGK OJSC).

Dmitry Geld joined PJSC Enel Russia in 2012 as a manager for occupational health and industrial safety coordination in the Health and Safety Department. Then he was appointed internal audit manager. In 2014, Mr. Geld was appointed Deputy Director for Maintenance of Sredneuralskaya GRES. In 2015, Dmitry Geld was appointed Chief Engineer - Deputy Director for Production of Sredneuralskaya GRES of PJSC Enel Russia.

Dmitry Geld was awarded with a number of industrial awards and diplomas.

Dmitry Geld was born in 1975. In 1996, he received his master's degree from the Samara State Technical University, majoring in "Electric drive and automation of industrial installations and technological complexes" with qualification of "Engineer".

In 2006, Mr. Geld completed professional training in Togliatti Academy of Management, majoring in Management.

Dmitry Geld's mother tongue is Russian, he also speaks English.
