ENEL RUSSIA APPOINTS DMITRY KAZARIN AS NEVINNOMYSSKAYA GRES DIRECTOR

Moscow, November 29th, 2017 – PJSC “Enel Russia” has appointed Dmitry Kazarin as a Director of Nevinnomyskaya GRES. In this position he will replace Alexander Ilyenko, who finished his working activity at the power plant this fall and retired after having worked in power sector for 37 years. During the time that Alexander Dmitrievich worked in the power industry, his achievements were awarded with diplomas and acknowledgements. In 2015, Alexander Dmitrievich was awarded the title of "Honorary Power Engineer", in 2013 was awarded the honorary letter of the Governor of the Stavropol Region, in 2011 - an honorary letter of the Ministry of Energy of the Russian Federation.

Since December 2015, prior his new appointment Dmitry Kazarin held the position of Director of Sredneuralskaya GRES of PJSC “Enel Russia”. Dmitry Kazarin started his career at Nevinnomyskaya GRES in 1996. Dmitry's upward career development is marked with several positions: from CCGT Boiler and Turbine Auxiliary Operator to Head of Boiler-and-Turbine Shop №2. In February 2012, Mr. Kazarin was appointed Deputy Director for Production and Chief Engineer of Sredneuralskaya GRES, which is also belongs to Enel Russia.

He has been working in power sector for more than 20 years now and has received a number of industry certificates and recognitions. In 2003 Dmitri Kazarin was awarded the badge "Best employee of the fuel and energy complex of the Stavropol Region”.

Dmitry Ivanovich Kazarin was born in 1973. In 1992 he graduated from the Nevinnomysk Energy College as a specialist in steam generators and turbines at thermal power plants. In 1996 he got a diploma of Higher professional education at Novocherkassk State Technical University as a thermal power plants engineer. In 2001, he received a second degree in Law at the North Caucasus Social Institute (Stavropol).

Dmitry's native language is Russian, he also speaks English.
